

AI Assignment 3

Screenshots of its working:

```
deepam@os-sarmah: ~/Desktop/Courses/CSE643/Assignment 3
File Edit View Search Terminal Help
deepam@os-sarmah:~/Desktop/Courses/CSE643/Assignment 3$ python3 sol.py
Enter CGPA: 8
Choose course indices of the courses you've done from the following courses
0 : Data Structures & Algorithms
1 : Computer Networks
2 : Operating Systems
3 : Machine Learning
4 : Artificial Intelligence
5 : Computer Graphics
6 : Human Computer Interaction
7 : Introduction to Animation and Graphics
8 : Game Design and Development
9 : Valuation and Portfolio Management
10 : Money and Banking
Enter number of courses done: 4
Enter course index: 0
Enter course index: 1
Enter course index: 2
Enter course index: 3
Choose interest from the following interest options
0 : Software Job
1 : Research
2 : Graphic/Designer Job
3 : Startups
Enter interest index: 0
Career suggested: ML Engineer
Career suggested: Software Engineer
Career suggested: Internship
